## SHAMROCK SHENANIGANS

Luck has knocked on your door! Today is your day  
Because a secret **LEPRECHAUN** has passed your way.  
He's left something *green*, it's yours for the keeping  
But alas it's your turn to do all the creeping.

Think of a friend or neighbor and here's what to do:  
Leave a *green* gift so they get good luck too.  
Give a quick knock, then run... do nothing more  
And don't forget to tape this **LEPRECHAUN** to your door!
