My Bedroom is **NEAT**
today when . . .

- I have made my bed.
- I have folded my extra blankets and put them neatly at the end of my bed.
- I have put my pillows at the head of my bed.
- I have picked up everything from the bedroom floor.
- I have straightened my desk.
- I have cleaned off the top of the chest of drawers.
- I have put my dirty clothes in the laundry basket.
- I have hung up all my clean clothes in the closet.
- I have put all my shoes neatly in the closet.
- I have put all my trash in the wastebasket.
- I have checked one more time to make sure there is nothing that is mine out of place in the bedroom.
